Subpart B—Tribal Policies and Laws Pertaining to Permits

§ 166.100 What special tribal policies will we apply to permitting on Indian agricultural lands?

(a) When specifically authorized by an appropriate tribal resolution establishing a general policy for permitting of Indian agricultural lands, the BIA will:

(1) Waive the general prohibition against Indian operator preferences in permits advertised for bid under § 166.221 of this part, by allowing prospective Indian operators to match the highest responsible bid (unless the tribal law or leasing policy specifies some

other manner in which the preference must be afforded);

(2) Waive or modify the requirement that a permittee post a surety or performance bond;

(3) Provide for posting of other collateral or security in lieu of surety or other bonds; and

(4) Approve permits of tribally-owned agricultural lands at rates determined by the tribal governing body.

(b) When specifically authorized by an appropriate tribal resolution establishing a general policy for permitting of Indian agricultural lands, and subject to paragraph (c) of this section, the BIA may:

(1) Waive or modify any general notice requirement of federal law; and

(2) Grant or approve a permit on “highly fractionated undivided heirship lands” as defined by tribal law.

(c) The BIA may take the action specified in paragraph (b) of this section only if:

(1) The tribe defines by resolution what constitutes “highly fractionated undivided heirship lands”;

(2) The tribe adopts an alternative plan for notifying individual Indian landowners; and

(3) The BIA’s action is necessary to prevent waste, reduce idle land acreage and ensure income.

§ 166.101 May individual Indian landowners exempt their land from certain tribal policies for permitting on Indian agricultural lands?

(a) The individual Indian landowners of Indian land may exempt their land from our application of a tribal policy referred to under § 166.100 of this part if:

(1) The Indian landowners have at least a 50% interest in such fractionated tract; and

(2) The Indian landowners submit a written objection to the BIA of all or any part of such tribal policies to the permitting of such parcel of land.

(b) Upon verification of the written objection we will notify the tribe of the Indian landowners’ exemption from the specific tribal policy.

(c) The procedures described in paragraphs (a) and (b) of this section will also apply to withdrawing an approved exemption.
